Dear Mr. Stienmier,

The areas on public lands near the Poverty Point quarry in T. 1N. R. 8W. section 17, which you reclaimed last fall were recently inspected. Revegetation has occurred to the point where natural succession is taking place. The notice is closed and Holnam is released from any additional reclamation requirements. Additional surface disturbing activities are not permitted.

The haul road is authorized under a right-of-way and still needs to be reclaimed. If you have any questions, please contact Steve Brooks at (801) 977-4371.

Sincerely,

Howard Hedrick
